Flinchbaugh's Orchard and Farm Market's Little Sprouts Summer Class

Summer 2015
Wednesday's, June 17-August 5

Come and join us for some down on the farm fun! Let your kids become Little Sprouts, during our eight week summer class series, as they discover the farm and all that it has to offer with hands-on farm projects, fresh snacks, and activities. Geared for children ages 3-10 years!

Classes will be held **every** Wednesday from June 17 to August 5. We will have two class sessions each Wednesday (9:00-10:30am and 11:00-12:30pm). All classes will meet under the pavilion at Flinchbaugh's Orchard and Farm Market. Check-in will begin 15 minutes prior to the start of each class.

****NOTE: Our 9am class is very full, with limited availability. Please consider the 11am class for your children.**

Children MUST be pre-registered for EVERY class they attend!

Registration & Payment Due: June 15, 2015 (for early bird pricing of \$6 per class)

Admission Fee: \$8 per class per child. (pay only for those you attend)

OR pre-pay for the series by June 15 and receive our Early Bird discount – \$6 per class per child.

Classes will be taught by Jackie Hill and Becky Krape, both are PA certified teachers!

June 17th: What Does a Farmer Do?

Have you ever wondered what it would be like to be a farmer? Plan to dress up like a farmer for today's class and come along with us to discover what all the farmers at Flinchbaugh's Farm does. We will also be taking a look at all the special equipment, big and small - red, blue and green, a farmer uses to do their job.

June 24th: Chickens and Eggs

Have you ever wondered where the scrambled eggs you had for breakfast came from? Today, we will visit the animal on our farm that provides us with those eggs. You will get to collect your own egg to take home and will learn the many different ways we use both chickens and eggs.

July 1st: The Produce Basket

Vegetables provide us not only with a yummy snack but are also full of many vitamins! Come along with us as we learn about the vegetables that are grown on our farm, and pick your own juicy red tomatoes to take home with you. Plan to taste a variety of vegetables for snack.

July 8th: Fruit Salad

Fresh fruit is one of the best parts about summer! We will be taking a look at the many different fruits that are grown right here in Flinchbaugh's Orchard! We will also be taking a short walk into the Orchard to pick our own summer fruits to make our own snack and take home for dinner!

July 15th: Where Does Milk Come From?

Milk is a healthy and nutritious treat for young ones and old. It provides important nutrients for our young, growing bodies. Today, we will be discovering where milk comes from, get to touch and smell them too! We will be using milk to make a sweet frozen snack for today!

July 22nd: Why Are Plants So Important?

Plants provide us with many things that we sometimes don't even realize. Let's "dig up" the reasons behind why plants are so important for us and the environment. We will eat *all* of the many parts of

July 29th: The Flowers and The Bees

Everyone loves to look at beautiful flowers. And we will find out what tiny insect plays a very important role in those flowers blooming by investigating them in an observation hive. This insect also creates a sweet but sticky treat!

August 5th: Little Sprouts Celebrate on the Farm

Join us for a celebration! We will be taking a look back at the past seven weeks as Little Sprouts, what we have discovered, learned and enjoyed the best! Expect a special surprise!
