

Farm Friendly Children's Educator

Put your Love for Kids and Farming to Work in teaching Little Sprouts Summer Class at Flinchbaugh's Orchard.

If you ...

- Love working with children and focus on their education
- Are passionate about farming and fresh foods
- Have a warm, engaging and positive personality
- Always go above and beyond with service and teamwork
- Enjoy working where new things are always happening
- Can handle the fast-paced schedule of a unique teaching opportunity
- Are organized and detailed in your follow through
- Are able to implement lesson plans and coordinate with teaching assistants

We offer ...

- A fun, relaxed working atmosphere
- Wednesday class times and flexible prep time hours
- Pre-designed lesson plans, but value your creativity and spin on plans
- Interesting new projects
- Free seasonal fresh fruits
- A really stimulating place to work!

Flinchbaugh's Orchard & Farm Market is a growing retail farm market that is committed to connecting today's consumers to their food supply, providing exceptional quality and joyful service.
